Parents Names	Phone
Tell us about yourself, your activities, interes	sts and why you want to work on our farm:
Your summer availability(esp. June-July)w	hen do you have vacations, trips, camps etc

PLEASE READ

You must be 14 years old to work on our farm. Cuff Farms has a pick-your-own strawberry and pick your own pumpkin season along with cash crop grains of corn, wheat, soybeans, rye and oats. We hire a crew of workers primarily for our strawberry harvest usually mid June through early July. Our typical strawberry harvest season lasts about 22-25 days; everyday including weekends. Some workers start in early spring and some work sparatically through the summer and fall. This is a very part time job for a short season. The work day begins at 6:00 am and days can be long or short depending on the weather and picking conditions. All work is outdoors and tasks can be physically challenging. Tasks will involve strawberry harvest as well as other crops and agriculture related jobs. We are looking for dependable, responsible workers to represent our farm to the public. We will inform you of job availability in late May or early June.

Please send this form to Lois Cuff at the above address. Any questions you may call: 920-359-0531
